KENTWOOD EDUCATIONAL SUPPORT PERSONNEL ASSOCIATION AGREEMENT

This Agreement is made and entered into by and between the Kentwood Board of Education (hereinafter called the "Board") and the Kentwood Educational Support Personnel Association/KCEA/MEA/NEA (hereinafter called the "Association"), represented by the Kent County Education Association as the bargaining agent for K.E.S.P.A.

PREAMBLE

It is the intent and purpose of the parties hereto that this Agreement shall promote and improve the operational and economic relationship between the Board and the employees represented by the Association and shall set forth herein rates of pay, wages, hours of employment, and other conditions of employment to be observed by the Board and the Association.

It is recognized by both parties that they have a mutual interest and obligation to maintain friendly cooperation between the Board and the Association. Both parties recognize and will encourage efficiency, economy, and productivity in respective assignments and execution of duties.

"Throughout the contract the term "employee" is synonymous with "bargaining unit member."

ARTICLE I

EMPLOYEE AND ASSOCIATION RIGHTS

A. Recognition of Bargaining Unit

The Board recognizes the Association as the sole and exclusive bargaining representative for all of the Board's non-supervisory employees (hereinafter called "employee") in the departments and positions as described below as "Included in the Unit."

Included in the Unit

The Association shall include:

All full-time and part-time child nutrition employees, bus drivers; all classifications of paraprofessionals including Adult/Alternative Education, custodial, maintenance and mechanic personnel, including shuttle/warehouse.

Excluded from the Unit

Excluded from the bargaining unit are:

1. Substitute personnel
2. Office and clerical employees
3. Administrative personnel
4. Teachers
5. Interventionists
6. Auditorium technician
7. Students and other temporary or seasonal employees performing work in any classification
8. All other employees of the Board.

The Board agrees not to negotiate with any other organization other than the Association with respect to the positions "Included in the Unit."

In the event a new position is created during the term of this agreement, the Board agrees to meet upon request of the Association to discuss the inclusion of the position within the unit. If the parties mutually agree to include the position, any necessary adjustments in the provisions of the agreement or new provisions will be subject to negotiations. If the parties do not mutually agree that the position should be included, the issue may be referred to the procedures provided under the Public Employment Relations Act.

The Board will provide the Association with notice regarding new positions which fall within category 8 of those employees defined as excluded above. In addition the Board will provide the Association president with a copy of the monthly employment report.

The Board and the Association agree to abide by Act 379 of the Public Acts of Michigan for 1965 and all amendments thereto and to all the applicable laws and statutes pertaining to employees' rights and responsibilities. The Board further agrees that it will not directly or indirectly discourage or deprive or coerce any employee in the enjoyment of their rights granted to them under the laws above stated.

B. Resolution of Disputes

Nothing contained herein shall be construed to prevent any individual employee from presenting a grievance and having the grievance adjusted without intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement, provided that an Association representative has been given an opportunity to be present.

The grievance chair or the K.C.E.A. staff person will be notified of the meeting place, date, and time. Absent such notice, the Association reserves the right to reject the settlement.

C. Use of Board Facilities

The Association and its members shall have the right to use the school building facilities before or after regular class hours and during lunch time. Such use of the building for Association meetings must be arranged via the Board's facility reservation process. The Administration retains the right of room assignment. Bulletin boards shall be made available to the Association for posting or placement of materials relating to official business of the Association. These materials must be signed by a designated Association official. (A copy of items to be posted will be shown to and initialed by the building Administrator or department Supervisor prior to posting.)

The Association and its members shall have the right to use the District inter-office shuttle mail service for official Association business. This approval is for delivering envelopes only (no packages) between Kentwood School buildings. This accommodation will be available only on days that the shuttle is scheduled by the Administration.

D. Information

The Board agrees to furnish to the Association upon request to the Superintendent of Schools, copies of those school documents it is required by law to make available to the public under the provisions of the Freedom of Information Act.

The Board agrees to furnish the Association, in response to reasonable requests, specific information needed for negotiations or for grievance resolution. This information will be in the form such information is maintained by the Board.

The building administrator or supervisor will evaluate all support staff personnel prior to June 1 of each year. If there is a significant problem, an evaluation shall be done

when the problem is evident. The employee will receive a copy of the completed performance review and will sign the form to indicate that he/she has seen it. An employee may submit additional comments to this evaluation.

E. Right to Representation

An employee is entitled to request the presence of a representative of the Association during any meeting which leads or may lead to disciplinary action. When a request for such representation is made, the Administration shall take no action with respect to the employee until such representative is present. The employee will have up to 24 hours to arrange for a representative. It is understood that the member can select from their choice of classification representatives, KESPA Unit President, or the KCEA staff person.

An Association representative will respond if requested while they are on school district time.

The Association agrees that the Board shall also have the right to request the presence of an Association representative at any meeting with an employee when it appears disciplinary action is likely. An Association representative can be the KESPA grievance chairperson, vice president, president, or the staff person from the Kent County Education Association.

F. Discipline

No employee who has successfully completed the probationary period shall be disciplined without just cause. Discipline includes warnings, reprimands, suspensions, reductions in pay and discharge. Any such discipline, which is to be made a permanent part of the employee's personnel file, shall be subject to the grievance procedure herein set forth. Upon request, the specific grounds forming the basis for disciplinary action will be made available to the employee and the Association in writing if the disciplinary action is documented in the employee's file.

The Board agrees with the concept of progressive discipline, except in cases where there has been violations of the law or extreme violations of the rules and policies of the District and will endeavor to follow the normal progression of verbal warnings, written reprimands, suspensions with or without pay, and finally, dismissal, if necessary.

G. Personnel Files

The official personnel files are kept in the Human Resources Office at the Administration Building. Immediate Supervisors may keep "anecdotal" files on each employee at their respective worksites. Information in such files necessary to be included in the personnel file shall be forwarded to the Human Resources office no later than sixty (60) days after the end of each semester. Each employee shall have the right upon request to the Executive Director for Human Resources, to review the contents of his/her personnel file excluding initial references. An Association

representative may be in attendance. Reprimands may be removed from the employee's file at the request of the employee after two (2) years if there has been no reoccurrence of the problem and the Executive Director for Human Resources determines it appropriate to have the reprimand removed. If a reprimand is found to be unsubstantiated by the District, it will be removed within 30 days of the finding. A bargaining unit member may submit a written explanation or rebuttal regarding any evaluation or derogatory material which shall be attached to the file copy of the material in question. All material placed in personnel files shall be signed by the bargaining unit member, excluding routine and business materials. The employee's signature indicates that they have reviewed the material; however, this in no way indicates agreement with the contents. The employee will be given a copy of anything he/she is asked to sign. Employees who fail to sign materials which they have reviewed, after having been directed to do so, may be subject to discipline.

H. Association Leave/Activities

No employee will engage in Association activities during working hours unless permitted within this Agreement or by permission of the Superintendent or designee. Unless this permission has been granted, any employee who is absent from assigned duties for the purpose of Association business shall have a prorated deduction of the hourly wage for each hour or part thereof of the employee's absence and shall be subject to disciplinary action.

1. Association leave - employee paid

There will be authorized up to one hundred (100) hours per contract year for Association business leave. Employees approved for this leave will be paid their regular hourly rate and the Association will be invoiced at the rate of current substitute rate per hour for each hour the employee was absent. The Association will be invoiced whether or not a substitute is hired.

2. Association leave - employee not paid

There will be authorized up to a maximum of fifty (50) hours per contract year for unpaid Association leave. Employees approved for this leave will not be paid by the Board, however, their Board paid fringe benefits will continue.

A written request for Association leave shall be completed at least five (5) work days in advance. In an emergency, the notice requirements may be waived by the Superintendent or designee. A "Change-of Status" form will be completed and will include the date, time, etc. the employee is requesting off and whether this request is for the "paid" or "unpaid" Association leave. Additionally, the Association President will sign the form indicating that the request is an authorized use of the limited Association leave. All requests are to be submitted for approval to the Executive Director for Human Resources and must include the signature of the immediate supervisor.

The following conditions are applicable to Association leave requests:

1. An Association representative present for the purposes of conducting Association business will first report to the Principal's/Director's office to make their presence known.
2. Association leave shall not be used immediately before or after holiday and vacation periods except with the approval of the immediate supervisor.
3. Association leave is contingent upon obtaining a substitute, if one is needed as determined by the Administration.

I. Change-of-Status (Electronic and/or Paper)

All change-of-status forms will be completed and returned to the person requesting/filling out form in seven days electronically. The decision of the immediate supervisor will be communicated in writing to the employee within two (2) (work) days.

ARTICLE 2

MEMBERSHIP FEES AND PAYROLL DEDUCTIONS

A. Save Harmless Clause

The Association agrees to assume the legal defense of any suit or action brought against the Board regarding this article of the collective agreement. The Association further agrees to indemnify the Board of any costs or damages which may be assessed against the Board as a result of said suit or action, subject, however, to the following conditions:

1. The damages have not resulted from intentional wrongdoing by the Board or its agents.
2. Association has the right to compromise or settle any claim made against the Board under this section.
3. The Association has the right to choose the legal counsel to represent the Association and the Board in defense of any suit or action.
4. The Association has the right to compromise or settle any claim made against the Board under this section.

ARTICLE 3

BOARD RIGHTS

The Board of Education on its own behalf, and on behalf of the electors of the school district, hereby retains and reserves unto itself without limitation all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States, including, but without limiting the generality of the foregoing, the right:

1. To the executive management and administrative control of the school system and its employees, properties, and facilities.
2. To hire all employees and, subject to the provisions of law, to determine their qualifications, the conditions of their continued employment, their dismissal or demotion, and to promote and transfer all such employees.
3. To discipline an employee or group of employees for willful violation of this Agreement.
4. The exercise of the foregoing powers, rights, authorities, duties and responsibilities by the Board, the adoption of policies, rules and regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of Michigan and the Constitution and laws of the United States.

ARTICLE 4

GRIEVANCE PROCEDURE

A. Definitions

1. A “grievance” shall be defined as a complaint of an alleged violation or misapplication of specific provisions of the Master Agreement.

The Association is the aggrieved when Association rights have been allegedly violated. Also, when one or more employees are or may be affected, the Association may file a grievance on their behalf. Association grievances may commence, in writing, at Step Three (3).

B. Purposes

1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances. Both parties agree these proceedings shall be kept as informal and confidential as may be appropriate at any level of this procedure.
2. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administration and having the grievance adjusted without intervention of the Association, provided the adjustment is consistent with the terms of this Agreement.

C. Grievance Steps

STEP 1 (Discussion)

- a. A bargaining unit member with a grievance shall discuss it with the immediate supervisor, individually or together with the Association representative, within ten (10) work days of said alleged violation.

STEP 2 (Written - to Immediate Supervisor)

(2) An "aggrieved employee" is the employee (or employees) who is (are) directly affected and, therefore, will make the claim. The Association is the aggrieved when Association rights have been allegedly violated. Also, when one or more employees are or may be affected, state the specific articles and sections of the Master Agreement, which have been allegedly misapplied or violated.

(3) State the relief requested.

(4) Be signed by the employee(s) involved and the grievance chairperson. Association grievances shall be signed by the KESPA President or his/her designee.

STEP 3 (Written - to Superintendent or Designee)

The Superintendent or designee will meet with the grievant and the Association representatives in an attempt to resolve the grievance. This meeting will take place within ten (10) work days of receipt of the Step 3 notice. The Superintendent/designee will make a disposition in writing within five (5) work days of the meeting.

STEP 4 (Arbitration)

- a.** If satisfactory disposition of the grievance is not made at Step 3, the Association shall have the right to appeal the dispute to an impartial arbitrator under and in accordance with the rules of the American Arbitration Association. (Step 4 requires Association approval.)
- b.** Such appeal shall be taken within twenty (20) work days from the date of receipt of the formal response from the Superintendent or his/her designee at Step 3.

D. Regulations for Grievance Steps

- 1.** Any grievance not advanced to the next step by the Association within the time limit on that step shall be deemed abandoned.
 - a.** Time limits imposed in Steps 2, 3, and 4 may be extended only by the mutual written consent of the Board and Association.
 - b.** Work days are defined as normal Central Office work days, excluding Christmas vacation and spring break.
- 2.** Copies of the grievance shall be sent to the Superintendent of Schools or his/her representative, the KESPA President or his/her designee, the aggrieved, the supervisor and the KCEA UniServ Director.

3. All complaints and replies shall be in written form.

E. Grievance Exclusions

The following issues shall be excluded from the grievance procedure:

1. The dismissal of a probationary employee.
2. The substance of an employee's evaluation.
3. Determination of an employee's qualifications.
4. Disputes involving insurance claims rejected by an insurance company.

F. Grievance Expenses

Any expenses incurred through the grievance procedure, including witnesses and legal fees, shall be borne by the party that incurred them.

G. Powers of the Arbitrator

1. The arbitrator shall have no authority except to pass upon alleged violations of the express provisions of the Agreement and to determine disputes involving the application of the express provisions of this Agreement.
2. The arbitrator shall have no power or authority to add to, subtract from, disregard, or modify any of the terms of this Agreement.
3. He/she shall have no power to rule on any claim or complaint for which there is another remedial procedure or forum established by law or by regulation having the force of law.

H. Arbitration Expenses

The fees and expenses of the arbitrator shall be paid by the losing party or as assigned by the arbitrator; however, each party shall be responsible for the expenses of any witnesses (including employees or administrators) it might call or any of its own participants.

ARTICLE 5

LEAVES WITH PAY CHARGEABLE TO SICK LEAVE

A. Paid Sick Leave

At the beginning of each year, each employee who has completed probation shall be granted sick leave days, i.e. (a day equals number of hours normally scheduled to work,) with pay equal to the number of hours normally scheduled to work. Sick time will be calculated in hours. These paid sick leave days may be used as needed under the conditions stated below.

1. All custodial/maintenance/mechanics will be granted ten (10) days of sick leave on July 1;
2. Bus drivers who drive a full-year run, including the full summer run, and the Food Service Driver if applicable, will be granted nine (9) sick leave days as of July 1.
3. All other employees working the school year and not listed above will be granted eight (8) sick leave days as of September 1 each year. If they report to work and work during the first week of their regular schedule, unless excused, this will apply.

Those employees who complete their probationary period after the beginning of the school year will have their sick leave prorated based on the number of scheduled work days remaining in the school year when compared to the number of days they would have qualified for if they had worked the entire work year within their classification as detailed above in #1, 2, or 3. In this situation, sick leave will be prorated from the employee's initial date of hire.

NOTE: In the event that an employee leaves the Board's employment for any reason, or is granted any unpaid leave of absence, the number of sick leave days as described above shall be prorated and reduced on the following basis: one (1) sick day per 20 work days, excluding paid vacation and paid holidays, rounded off to the nearest 1/2 day. If the proration indicates that the employee has "over utilized" sick leave, the employee will reimburse the Board by any of the following methods determined by the employee to be most practical, as long as this is taken care of prior to the issuance of the final check: a) payroll deduction; b) from accrued paid vacation; or c) invoice sent to the employee for payment.

All sick leave as described in this Article shall have unlimited accumulation. A sick leave day is equivalent to the number of hours an employee is normally scheduled to work. (Excluded would be extra hours worked on occasion for "extra trips," banquets, facility use rentals, etc.) If an employee has a change in the number of hours normally scheduled (i.e., bus driver adds or drops a bid run) that employee's sick leave bank will be recalculated to reflect the new definition of his/her work day.

An employee will note on his/her timesheet "sick leave" when paid sick leave is to be used. The employee will be paid for the hours normally scheduled if sick leave time is available as of the date of absence.

Employees must notify their supervisor at least one hour prior to the scheduled start of the day shift or three hours prior to the scheduled start of the second or third shift. Bus drivers must call the Transportation Office by 6 a.m. when unable to report for work as scheduled. Child Nutrition employees scheduled to begin work at 8 a.m. or later, must notify their supervisor of their absence no later than 6 a.m. Failure to timely notify supervision may result in discipline, except in case of emergency, as determined by the immediate supervisor.

Accumulated sick leave use is subject to the provisions described below:

1. For the personal illness of the employee (illness, injury, disability or pregnancy).
2. Employees shall make every attempt to schedule doctor and dentist appointments during non working hours. If an employee has a personal medical or dental appointment that is illness related or of an emergency nature, sick leave may be used.
3. Absence necessitated by exposure to contagious diseases of which the health of students or other employees would be impaired by their attendance.

B. Illness in Immediate Family

Absence without loss of pay shall be allowed for illness in the immediate family (spouse, child, parent, grandparent, stepchild, stepparent or parent-in-law) if they live in the same household or are a person whose relationship to the employee warrants such attendance. Approval from the immediate supervisor is required.

A maximum of five (5) work days per contract year will be allowed. FMLA eligible employees may also use available sick days during FMLA qualifying family illness. Exceptions may be granted by the Executive Director for Human Resources.

The employee will indicate "Family illness" on the time sheet for use of sick leave for this purpose.

C. Funeral Leave

Time necessary for attendance at the funeral service of a person whose relationship to the employee warrants such attendance will be charged to sick leave. Approval of the Executive Director for Human Resources is required. (For death in immediate family see Article 6, A, 1).

D. Personal Leave

Each employee will be granted (2) personal leave days (not accumulative) per year. Employees who have sick time equivalent to 50 work days (200 hours for bus drivers) accumulated as of June 30 of the previous school year shall be granted one (1) additional personal day. Personal leave days are subject to the following provisions:

1. Arrangements for said leave shall be made at least five (5) work days in advance with the immediate supervisor and the request shall be on the proper "Change of Status" form.
2. Matters of an emergency nature shall be allowable without the five (5)-work-day advance notice at the discretion of the immediate supervisor, however, the "Change of Status" form must still be completed.
3. Personal leave days shall not be used immediately before or after school vacation periods except with the approval of the District HR office.
4. A maximum of three (3) employees per unit (bus driver, food service, custodial/maintenance/mechanics, and paraprofessionals) may be allowed to use their personal leave for the same day. Approval shall be given to the first employee who applies for a personal leave day. Approval for additional requests is contingent upon obtaining a substitute. Approval of leaves for the same days will be based on the date of request.
5. Employees not scheduled to work during spring break (non-52 weeks) may use their personal days to be paid for spring break days off. Employees must make this request in writing, to their supervisor 10 days in advance.

E. Worker's Compensation

An employee who in the line of duty incurs an injury for which he/she qualifies for benefits under the Worker's Compensation Act shall be paid during the period of disability, provided that:

1. All injuries and/or disabilities which are claimed to be job related, no matter how slight, are to be reported immediately to the immediate supervisor. All potential claims against Workers Compensation should be documented within twenty-four (24) hours of the occurrence or as soon as practical by completing the "Report of Injury to Employee" form.
2. Verification of disability and the relationship between the disability and employment may be required. Such verification shall be from medical personnel approved by or satisfactory to the Board.
3. The employee will be paid his/her normal daily wages for the time off necessary because of a confirmed job-related injury. This time off will NOT be charged to the employee's sick leave for the day of the injury or, if needed, the seven (7) work days following. In the event the seven-(7) day waiting period provided by law

changes, the seven-(7) day waiting period will be adjusted accordingly. The need for such absence will be based on medical verification from the Board's doctor or a doctor approved by the Executive Director for Human Resources. If the doctor recommends that the employee work "with restrictions", the supervisor will consult with the employee and the supervisor will make the final determination if the employee will be allowed to work under the conditions stated by the doctor.

4. If the employee is absent from work for a period of time that would qualify the employee for "loss of income" benefits from Workers Compensation, the wage benefits received by the employee for the first seven (7) days will be reimbursed to the Board.
5. Once "loss of income benefits" are available to the employee, the employee will be notified in writing (this may include email) that they have the option to request that the Board pay the employee the difference between the amount received from Worker's Compensation and the amount of daily base wages normally paid by the employer. The amount paid by the Board will be charged on a prorated basis to the employee's available sick leave. The employee would need to make this request to payroll, in writing (this may include email).

Said sick-leave benefit shall not be paid for a longer period than the period equivalent to the accumulated sick leave as heretofore determined in this Article. The employee shall not lose earned sick-leave time for that percentage of time compensated under the Worker's Compensation insurance plan.

6. Once an accident claim has been filed with the Board, it will be the Board's responsibility to file the claim with the Worker's Compensation insurance carrier if the injury was job related. After the claim is filed with the insurance company, the Board and employee will work with the insurance company concerning all claims, problems, reimbursements, etc.
7. Board paid insurance will continue during a Worker's Compensation disability until earned sick leave is exhausted, plus 80 calendar days.
8. An employee absent because of a work-related injury will be reemployed in his/her former position if the return to work is authorized by medical personnel approved by the Board and the return is within eighteen (18) months of their initial absence. If the date of return exceeds the eighteen (18) month period, the employee will be reemployed to any vacant position for which they are qualified if they are medically recommended for return to work during the next twelve months. The Board will work cooperatively with the Worker's Compensation Company and the employee regarding retraining for jobs in other classifications.

F. General Provisions Applicable to All Leaves (Paid and Unpaid)

1. The Board of Education reserves the right to require a doctor's report or other evidence of illness or disability.

2. The Human Resources Office shall certify the legitimacy of a claim for compensation for absence.
3. An employee shall apply for an unpaid leave of absence or submit a resignation upon being absent from work for 10 consecutive work days after exhausting all accumulated sick leave. Failure to request the unpaid leave will be considered a voluntary quit if proper written notification has been provided by the Human Resources Office. (Exception: Worker's Compensation as defined in F.8 above).
4. In the event that a bus driver is absent with pay for one half day, the driver will be paid for the scheduled morning or afternoon runs for which they were absent. Paid leave for bid runs will be deducted from earned sick leave.
5. A regular bus driver filling in for a driver on leave shall not be eligible for leaves benefits for such runs.
6. Any employee who willfully violates or misuses this policy or misrepresents any statement or condition under this policy shall be subject to discipline.
7. If an approved leave does not exceed 120 work days, the employee shall be reemployed in their former position. If an approved leave (paid or unpaid) exceeds 120 work days, that position will be considered vacant and will be posted. In this situation, the employee will have a right to return to work to the first available vacant position within the same classification for which he/she is qualified, for up to one year beyond the 120 work day period if on an approved unpaid leave.
8. Unpaid leaves will not generally be approved if a "paid leave" is available that could appropriately be utilized for a requested absence. At the employee's request, the use of short-term disability, when available, will be used before the exhaustion of available paid leave.
9. All unpaid leaves are without fringe benefits and without sick leave accumulation whenever said leave exceeds 10 (consecutive work) days. (Exception: Worker's Compensation as defined in F.7 above).
10. If a bargaining unit member takes an unpaid leave to assume an office or position in the KCEA/MEA/NEA, and if the unpaid leave does not exceed a period of one (1) year, he/she shall be reemployed in their former position. The following conditions will apply to this type of leave:
 - a. The leave request will state the dates that the leave will commence and end.
 - b. The leave will be without pay and without Board-paid insurance or other benefits. This insurance may be purchased by the employee on a monthly basis at the current group rates as allowed by the underwriter.

- c. The employee will not receive credit on the salary schedule for the period of the leave. The employee will return at the same pay step as he/she was on at the time the leave commenced.
 - d. Seniority will be “frozen” for the period of the leave.

Employees may take unpaid leave, with health benefits, in accordance with the Act for birth, adoption or foster care placement, or for a serious medical condition affecting themselves or their immediate family as defined in the Act. All such leaves shall be cumulative with, and not in addition to, any other applicable leave granted in this Agreement. CONDITIONS OF EMPLOYMENT

A. Probationary Period

1. Beginning with their initial employment with Kentwood Public Schools or being rehired in their former classification after more than one (1) year under the provisions of this contract, a bargaining unit member shall be deemed to be in a probationary status. The probationary period shall be sixty (60) work days taken from and including the first day of employment. If an employee is hired between June 15th and August 15th, the probationary period will continue sixty (60) work days after the first work day of the school year. If at any time prior to the conclusion of the sixty-(60) work day probationary period, the employee's work performance is of unacceptable quality, the employee may, upon the recommendation of the immediate supervisor and the Executive Director for Human Resources, be subject to immediate dismissal. Except for hires between June 15 and August 15, the employee's probationary period cannot be extended beyond the 60 work day period.

Note: A bus driver's first day of probation is defined as the day he/she is assigned a regular (full-time) run. This will be documented on a "Change-of-Status" form.

2. Upon successful completion of the probationary period, the employee shall acquire all benefits and seniority and shall be placed on the proper seniority list with a seniority date which is the same as his/her initial date of hire.

B. Health

1. Each employee shall meet applicable state requirements concerning tuberculosis examinations. Failure to comply with this requirement will result in layoff without pay or other benefits until such requirements have been met. An employee who has failed to comply with the state requirements within ten (10) days from the date of layoff for failure to meet such requirements shall be considered a voluntary quit.
2. An employee absent because of an extended or serious illness, shall upon request of the Administration, present to the Human Resource Office prior to a return to service, a statement from a licensed physician indicating that the employee's health is satisfactory to resume normal duties and the employee is able to perform the essential functions of his/her assigned position.
3. The Board reserves the right to send the employee to a Board appointed doctor if the Board pays the cost of such examination. It is understood that doctor as used in this Article refers to medical doctor, osteopath, psychiatrist or psychologist.

C. Work Week/Work Year/Work Hours

A work week for overtime computation purposes shall begin at 12:01 a.m. on Monday and end at 12:00 midnight on the following Sunday. The number of hours worked each week will vary with the job classification and building assignment. The normal work week for most employees will be Monday through Friday. The work schedule (hours and shift) will be determined by the Administration. All changes in work shifts will be discussed in advance with individual(s) involved and where possible, personal preferences for shift assignment will be taken into consideration. (Note: The official work week of Custodial/Maintenance employees who occupy full-time positions shall be 40 hours per week).

D. Work Shifts (Custodians/Maintenance/Mechanics)

The Administration shall have the right, based upon the school calendar, to set the starting time for each shift with a thirty (30) day notice unless due to emergency.

First Shift - The first shift is any shift that regularly starts on or after 4:00 a.m. but before 11:00 a.m.

Second Shift - The second shift is any shift that regularly starts on or after 11:00 a.m. but before 8:00 p.m.

Bus drivers must call the Transportation Office by 6:00 a.m. when unable to report for work as scheduled. Child Nutrition employees scheduled to begin work at 8:00 a.m. or later, must notify their supervisor of their absence no later than 6:00 a.m. Failure to timely notify supervision may result in discipline, except in case of emergency, as determined by the immediate supervisor.

F. Lunch Periods and Rest Periods (Breaks)

Child Nutrition, Paraprofessionals, Custodians, Maintenance and Mechanics

1. Lunch/Dinner Periods

Employees working four (4) or more consecutive hours per day may schedule an appropriate unpaid lunch period of thirty (30) to sixty (60) minutes with their supervisor. The final determination as to the length of the unpaid lunch periods will rest with the supervisor.

2. Rest Periods (Breaks)

Each employee working four (4) consecutive hours per day or more shall receive one (1) paid fifteen (15) minute break for each complete four (4)-hour period worked. The rest period will be scheduled by the employee's supervisor. Breaks are not to be accumulated and an employee may be interrupted during a break to perform necessary duties. If breaks are interrupted, they may be resumed at a more convenient time if the interruption was at the request of the Building Administration or his/her designee or the employee's immediate supervisor. An employee is not allowed to take breaks at the beginning or end of his/her regular work day.

G. Overtime

1. Time and one-half (1-1/2) of the employee's regular hourly rate of pay shall be paid for all hours worked in excess of forty (40) in any work week, PROVIDED, that overtime shall not be pyramided (i.e. not to include any overtime). All overtime must be approved in advance by the supervisor. Additionally, there is no guarantee to any bargaining unit member that overtime will be available. The Administration reserves the right to schedule work so as to avoid overtime.

Exception: Custodial/Maintenance and Mechanic employees will be paid overtime or provided comp time for hours worked in excess of eight (8) hours per day.

2. When calculating "hours worked" for overtime pay purposes, paid leaves as described in Articles 5 and 6 (sick leave, personal leave, holidays, "snow days" and other leaves) will not be considered "hours worked." EXCEPTION: Paid holidays and vacation days for custodians/maintenance/mechanics are considered as "hours worked."
3. By advanced mutual agreement between the employee and administrator, compensatory time may be awarded in lieu of paid overtime. Compensatory time for actual hours worked under 40 hours in a week will have a value of one hour for each additional hour worked. Compensatory time for actual hours worked over 40 hours in a week will have a value of 1 ½ hours for each hour worked.

Compensatory time off will be scheduled by mutual agreement with the administrator and the employee with 10 days advanced notice subject to staffing levels or an unforeseen district emergency.

Compensatory time will be used within the fiscal year earned. Unused time will be paid at the level it was earned.

- i. If an employee in a single work week works at two or more different types of work for which different time rates have been established, the regular rate for the work week is the weighted average of the rates. Weighted average means that earnings from all rates added together and divided by the number of hours worked at all jobs.

- ii. By advanced mutual agreement between the employee and administrator, compensatory time may be awarded in lieu of paid overtime. Compensatory time for actual hours worked under 40 hours in a week will have a value of one hour for each additional hour worked. Compensatory time for actual hours worked over 40 hours in a week will have a value of 1 ½ hours for each hour worked.

Compensatory time off will be scheduled by mutual agreement with the administrator and the employee with 10 days advanced notice subject to staffing levels or an unforeseen district emergency.

Compensatory time will be used within the fiscal year earned. Unused time will be paid at the level it was earned.

- iii. If an employee in a single work week works at two or more different types of work for which different time rates have been established, the regular rate for the work week is the weighted average of the rates. Weighted average means that earnings from all rates added together and divided by the number of hours worked at all jobs.
- iv. The Administration reserves the right to assign overtime starting with the highest seniority person in a building who has indicated an interest. Employees may be required to work the extra hours if no one qualified volunteers to work the overtime or if an emergency situation exists. The least senior qualified employee will be assigned the overtime if qualified volunteers are not available. Twenty-four (24) hours' notice must be given to the least senior employee.

Both parties recognize the need to address overtime. Therefore, an exception to the previous may be made for multi-staffed crews working a special event on Saturday and/or Sunday. The head custodian in the affected building will make the decision regarding the make-up of the crew to use a full-time or part-time custodian from another building.

H. Meetings

1. Instructional Paraprofessionals

- a. When district-wide in-services are held during the school year for all staff, paraprofessionals will be required to attend unless excused by the principal. They will be paid at their regular hourly rate of pay for attendance. They should indicate "in-service" on their time sheet.
- b. Building principals will designate the paraprofessionals who will attend building in-services or work on in-service/conference days, and provide reasons to all paraprofessionals working in their building for such designation.

- c. When relevant to their assignment, paraprofessionals will be informed by the special education teacher of IEP accommodations determined for the students they serve.
- d. Full-time paraprofessionals will be asked by the building principal to attend staff meeting when information presented is pertinent. Paraprofessionals attending staff meetings will then distribute the information to other paraprofessionals not in attendance.

2. Transportation

All drivers will be required to attend all in-service meetings as called by the Supervisor of Transportation and in-service meetings sponsored by the Michigan Department of Education unless excused in advance by the Supervisor of Transportation. Drivers shall be paid at their regular rate of pay. In-service meetings are all meetings/ activities that do not require the pick up or drop off of students.

Additionally, meetings involving the Supervisor of Transportation and a parent which a driver is required to attend will be considered an "in-service meeting" for pay purposes. The same will be the case if a driver is required to meet with the Supervisor of Transportation and a principal, or the driver and the Principal when approved by the Supervisor of Transportation. When a driver meets with his/her supervisor to discuss routes, mechanical problems, discipline, etc., they will not receive any added compensation as this is considered to be part of their job already compensated in the "Pre-trip/incidental pay" received daily by each driver.

3. Child Nutrition

Kentwood Schools will provide in-service training sessions during the school year. When requested, food service personnel will be required to attend and will be paid at their regular hourly rate of pay.

1. Transportation

- a. Bus drivers will not be required to take out on the streets or highways any vehicle that is not in safe operating condition. It shall not be a violation of this Agreement when employees refuse to operate such equipment unless such refusal is unjustified. - (c) On the day before a scheduled trip, drivers will speak with the transportation office staff to acknowledge their extra trip, confirm the time, and initial the trip sheet. - (5) Emergency trips will be given out on a rotating basis for all drivers who have signed up for such trips.

Any driver reporting for an assigned extra trip that has been canceled, where no attempt has been made to notify the driver, shall be paid an amount equal to 50% of the minimum for such trip or 50% for the normally scheduled time of that trip, whichever is greater, except if the canceled trip makes the driver available to do his/her regular run, he/she shall be required to do that run.

(7) Work Requirements

g. Driver Substitution for Bid Runs

- i. Driver Availability– In fulfilling their driving assignment, all bus drivers who are scheduled for less than four (4) hours per day shall be required to be available for substituting on a weekly rotational basis as needed by the Transportation Department.

Drivers shall be allowed four (4) refusals per year. Such rotation list shall be established at the beginning of each year.

J. Assignments Involving Students With Identified Health Care Needs

1. Prior to any bargaining unit member performing health care related services to students required by an IEP, written authorization signed by a licensed physician and the student's parent(s)/guardian(s) shall be received by the District and available to the bargaining unit member. Such authorization should include specific health care related procedures that are to be performed, the underlying condition calling for such services and the specific conditions when the services are to be provided.

2. Any bargaining unit member who is assigned a student with health care needs will be trained to perform the health care related service, as required by the IEP and assigned to that bargaining unit member. Ideally, such training shall be provided before the services begin.
3. Any bargaining unit member working with any school student is covered as an agent for the school under the Board's liability policy in the amount of \$3,000,000. The insurance shall specifically cover personal liability for the employee(s) providing such services. The Association will be provided a copy of the policy and any applicable riders annually upon request.
4. The employee shall not be required to provide any supplies or equipment necessary for the services to medically fragile students.
5. Provided the authorization exists, and the employee has been trained, the bargaining unit member will perform the health care related service required by the IEP and assigned to that bargaining unit member.
6. Attendance by a bargaining unit member (including bus drivers) at an IEPC shall be determined by the Director of Special Education. Additionally, bargaining unit members who are responsible for students with specific health care needs, shall be provided with relevant health care information, if known to the District and permitted by the student's parents or guardians.

K. Substance Abuse

While the Board has no intention of intruding into the private lives of its employees, it expects all employees to report for work in a condition to safely perform their duties. The presence of illegal or unauthorized drugs or alcohol in an employee's system while on the job is inconsistent with student needs and a safe work environment, and violates existing Work Rules.

If the Board has reason to suspect an employee is at work with the presence of alcohol, or illegal or unauthorized drugs in his/her bodily system, the Board may require alcohol or drug testing, provided the Board has previously warned the employee in the presence of an Association representative of its reasonable suspicion, which warning may not be grieved, and has referred the employee to local treatment options.

ARTICLE 9

SENIORITY, LAYOFF AND RECALL

A. Seniority

1. Seniority is defined to be length of continuous service as a bargaining unit member within a specified classification (bus driver, food service, custodial/maintenance/mechanics, and paraprofessionals.) Accumulation of seniority shall begin from the bargaining unit member's initial date of employment in a bargaining unit classification.

2. Use

Seniority may be used as specifically set forth in the Agreement. If a bargaining unit member transfers from one classification to another classification, the seniority in the former classification will be "frozen" in that classification within the bargaining unit, and the bargaining unit member will begin earning seniority in the new classification as of the date he/she starts working in the new classification.

Seniority within a given classification does not necessarily qualify a bargaining unit member for all possible assignments within that classification, (i.e., the qualifications for maintenance positions are different from custodian positions. A food service utility worker will not necessarily qualify to be a Child Nutrition Manager, etc.) When ties in seniority dates occur, a drawing will be held to determine seniority order for that date. The KESPA President and the Executive Director for Human Resources or their designee(s) will determine the dates of the drawings and notify the affected members of the date(s) of the drawings. In the case that a member is unavailable for the drawing, the KESPA President shall draw a number on behalf of the absent member. All members involved in the tie-breaker process will be notified of the resulting new order.

The qualifications criteria to be used by the Administration will be those items listed in "Notice of Vacancy" postings, Job Descriptions and other predetermined qualifications as published and determined by the Administration.

3. Seniority Lists

The Board shall maintain lists indicating classification seniority. There are four (4) separate classification lists: 1) Bus Driver, 2) Child Nutrition, 3) Paraprofessional, and 4) Custodial/Maintenance/ Mechanics. These lists will be available to the Association upon request to the Human Resource Office. These lists will be updated semiannually and provided to the Association President.

4. Loss of Seniority

Seniority shall be lost if any of the following apply:

- a. The bargaining unit member retires, quits, or is justly discharged.
- b. The bargaining unit member is absent five (5) consecutive work days without notifying the Board. If the Board is notified of extenuating circumstances which are beyond the control of the bargaining unit member, the Board may waive this condition.
- c. The bargaining unit member does not return from a leave of absence within ten (10) working days after the leave expires and does not contact the District.
- d. The bargaining unit member does not return from layoff status within ten (10) working days from date of recall. Notice of recall will be by certified mail, return receipt.

B. Reduction in Staff/Hours

1. It is at the sole discretion of the Board to make reductions when necessary. If the Board determines that a reduction in staff is necessary within a classification, the process for reduction, in the following order is:
 - a. Reduce/lay off volunteers
 - b. Reduce/layoff probationary bargaining unit members
 - c. Reduce hours/lay off the lowest seniority person within a classification
2. When bargaining unit members are laid off, they shall be laid off by classification in the order above; provided that there are qualified bargaining unit members remaining to perform the necessary work.
NOTE: b and c to be laid off each in inverse order of seniority.
3. Prior to notice to affected bargaining unit members, the Executive Director for Human Resources will meet with the Association representatives to advise of the specific positions to be eliminated or reduced and to receive Association input.

At each staff reduction or recall, the Board may designate specific paraprofessionals with definable special skills whose services are required under the circumstances then existing (i.e., bilingual, signing for the deaf, demonstrated knowledge of the CIMS system or its equivalent, etc.). These paraprofessionals may be retained in, or recalled to service, regardless of their seniority.

C. Notice of Layoff/Hours Reduction

Thirty-(30) calendar days' notice of layoff and fourteen-(14) day notice of reduction in hours shall be given. There will be no reduction in the number of hours a bargaining

unit member is normally scheduled to work unless the criteria in Section B. "Reduction of Work" is followed. It is understood that bus runs will fluctuate slightly.

Additionally, hours can be reduced for bus drivers, food service bargaining unit members and paraprofessionals on days when the school calendar has students in school for less than a full day or not at all, without following the procedure in this article.

D. Bumping

"Bumping" will be allowed within a classification or from one classification to another only in the case of layoff/reduction in hours (Article 9, B.) where a person has the qualifications and seniority and would be laid off or reduced in hours if he/she didn't bump.

E. Job Placement of Laid off Bargaining Unit Members

1. A laid off bargaining unit member shall, upon application and at his/her option, be granted priority status on the substitute list of his/her classification according to his/her seniority. Laid off bargaining unit members may continue their health, dental and life insurance benefits by paying the regular monthly per subscriber group rate premium for such benefits to the Employer in advance, monthly.
2. A laid-off bargaining unit member may apply for any posted positions within another bargaining unit classification covered by this contract, provided that a laid off bargaining unit member has the present skill and ability to perform the necessary work. The bargaining unit member would be given serious consideration for the posted vacancy if he/she meets the qualifications. If the bargaining unit member is hired under these circumstances, the hourly rate of the bargaining unit member will be adjusted to a step level of the new classification at the discretion of the Executive Director for Human Resources.
3. No custodian or maintenance person's regular weekly work schedule shall be permanently increased to exceed forty (40) hours per week while another bargaining unit member in that classification is laid off.

F. Recall of Personnel

1. Senior bargaining unit members shall be recalled in inverse order of layoff for positions for which they are qualified within their classification. For purposes of recall, a paraprofessional is qualified for: (1) any assignment currently held, provided the probationary period has been completed; (2) any assignment previously successfully held (i.e., the most recent evaluation was satisfactory); or (3) any assignment for which the paraprofessional has the training, education or work experience that demonstrates he/she can perform the work of the assignment.
2. The recall list shall be maintained by the Board for a period of three (3) years. Thereafter, a bargaining unit member shall lose the right to recall.

3. Bargaining unit members recalled to work for which they are qualified are obligated to take said work. A bargaining unit member who declines recall to work for which he/she is qualified and which is substantially comparable to previous position, shall forfeit his/her seniority rights and right to recall.
4. It is the responsibility of the bargaining unit member to maintain his/her correct address and phone number with the Human Resources Office.
5. If the bargaining unit member is notified of recall, he/she shall personally advise the Executive Director for Human Resources of intent to return within ten (10) work days or forfeit recall rights.

ARTICLE 10

JOB POSTING, VACANCIES, PROMOTIONS AND TRANSFERS

A. Posting

1. Notice of vacancies for existing or new jobs shall be sent to all District employees via email. Transportation will post in driver's lounge. Some job postings will include qualifications. Also, the job description and/or Administrative Work Rules detailing qualifications will apply. Interested bargaining unit members will apply for a posted position by completing an electronic or paper "Change of Status" form available from their supervisor.
2. The Employer shall make known its decision as to which applicant has been selected to fill a posted position. Each applicant shall be notified of posted job status within ten (10) days after the interview process.
3. Association President and Vice President shall be notified when position are filled on a regular basis.

B. Vacancies

1. a. Vacancies may be filled on a temporary basis. A vacancy is an unoccupied position in the bargaining unit, which the Board intends to fill and for which there are no unassigned or laid off, qualified unit members. Vacancies may be filled on a temporary basis for no more than sixty (60) work days except in cases of approved leaves, workers compensation, and c. below.
 - b. Paraprofessional positions which are funded or reimbursed for less than a school year shall be posted at the discretion of the Board. During the school year if additional hours not to exceed four (4) hours per building become available, they may be assigned, pursuant to article 10 E, to existing building staff by the building administrator, after written notice of the additional hours is posted in the affected building for at least three (3) work days, provided that no single employee is assigned more than two (2) additional hours. The building posting will describe the nature of the additional time.
 - c. The board will post and fill Special Education paraprofessional positions which occur during the school year as temporary positions. A Special Education paraprofessional who has taken such a temporary position will bump back into their previous position if their new assignment is discontinued prior to the start of the next school year. If the hours of the position are reduced prior to the start of the next school year, the paraprofessional may remain in the reduced assignment by accepting a voluntary reduction or bump back into their previous position.
2. Bargaining unit members (excluding those drivers applying for a bus driving vacancy outside of special education) will be permitted a satisfactory try-out period

on the new position awarded them (thirty (30) working day limit) if the position is in a new classification or new position within a classification for that bargaining unit member.

3. If a vacancy is to be filled as determined by the Board, an attempt will be made to do so within twenty (20) working days.

C. Transportation Vacancies

The following special conditions apply for certain transportation vacancies. Except as noted below, transportation vacancies will be handled like all other vacancies.

1. All activity runs, skill center runs, and other regularly scheduled runs which do not conflict with AM and PM runs will be allowed on the basis of the seniority list.

The following process will be used to assign bids runs:

All drivers will attend a "bid day" to secure runs. If a driver is unavailable, they must make their intentions known to management in writing. Drivers that do not attend the meeting and do not make intentions known are unable to secure extra bid runs until the next bid day. These drivers can be assigned a bid run in accordance with the master agreement.

A list of bid runs will be made available to all drivers at least seven (7) days before the agreed upon bid day.

Extra runs will be bid based on seniority, with all drivers present being able to secure a run. No driver will be able to secure two runs until all attendees have had the opportunity to secure one run, based on seniority, and so on until sheet is complete.

After the bids are complete, drivers are not able to return runs and/or trade with other employees. These assignments are considered complete.

Other runs that are identified to the department will be posted for three (3) days in the employee lounge. These runs will be filled based on seniority and regarding the notion that no driver will have opportunity to secure another run without all being able to secure same number.

2. Summer runs shall be offered on the basis of seniority.
3. Summer runs for programs administered by Kentwood Public schools shall be paid at the driver's base rate.

D. Transfers between Classifications:

Transfers between classifications within this bargaining unit will be considered at the discretion of the Administration. If the bargaining unit member is interested in a voluntary transfer, he/she should complete a "Change of Status" form indicating the

vacancy that is being applied for. Bargaining unit members who request a transfer through a change of status will be required to complete a minimum of ten (10) working days in the new assignment, if selected for the position. The parties recognize that present bargaining unit members should have the first opportunity to transfer to new positions and or classifications within the district's employee group. This will encourage members to try and to grow professionally thus increasing their value to the employer.

The parties also recognize that the employer has a need for qualified employees in every employee group.

Bargaining unit members transferring from one classification to another shall retain his/her seniority rights in the previous classification at current level and shall be placed at the bottom of the seniority list of the new classification. The bargaining unit member shall not have the right to return to his/her former classification after the trial period unless a vacancy exists. Upon return, he/she shall retain the seniority held in the former classification.

To be considered for transfer to a new classification, the bargaining unit member must meet the minimum qualifications for the vacancy being applied for as defined in the job description.

If the above condition is met and the Administration agrees to allow the transfer to the new classification, a trial period of sixty (60) work days will commence starting with the first day the bargaining unit member begins working in the new classification, unless hired in July or August, then the period will begin in September. During the trial period there will be management assistance to help the bargaining unit member perform the job successfully. However, the bargaining unit member should bring to the job the skills and experience necessary to perform the minimum job responsibilities of the new position.

If, at any time during the sixty (60) working days, but after the (10) working day minimum trial period, the bargaining unit member determines that he/she wishes to return to his/her former classification or if the bargaining unit member fails to perform satisfactory work as determined by the supervisor/ director, the bargaining unit member will be returned to his/her former position. However, if the former position is an instructional classroom assignment, the employee will be returned to the same position only if it is available. If the position has been filled, then the employee will be given the option to return to any vacant position. During the trial period, the bargaining unit member will continue Board provided insurance of the former classification if the new classification has similar coverage. Sick leave accumulation will be "converted" to equate to the definition of the bargaining unit member's new work day.

During the trial period the bargaining unit member shall be paid at the appropriate rate for the new job classification.

The following items dealing with a voluntary "trial period" move from one classification to another will not be considered grievable under the contract:

1. The Administration's return of a bargaining unit member to his/her former classification for failure to perform work acceptable to the Administration.
2. The Administration's evaluation of the bargaining unit member's work performance during the trial period. Administration may fill the vacancy created by the bargaining unit member during the sixty (60) work day trial period without posting until it is determined whether the bargaining unit member has successfully completed the trial period. If the bargaining unit member does successfully complete the trial period, the administration shall post the vacancy created. Should the bargaining unit member fail to successfully complete the trial period or decide not to accept the position, he/she shall return to his/her former position.

E. Award of Job

Vacancies and promotions will be awarded on the basis of first, qualifications and second, seniority (within classification), and then district seniority within the bargaining unit. Qualifications will be determined by the administration based on detailed in job descriptions, published Administrative Work Rules and referenced in job postings for vacant positions. The Administration reserves the right to interpret the qualifications of each bargaining unit member.

Qualifications will be objective, measurable skills. If two (2) or more applicants for a vacant position meet the qualifications required, seniority will determine who is awarded the job.

F. Involuntary Transfers or Promotions

Bargaining unit members shall not be placed on a lower step on the salary schedule due to an involuntary transfer or promotion. The parties agree that involuntary transfers of bargaining unit members are to be minimized and avoided whenever possible. In all such cases, the Administration reserves the right of final determination as to work assignment, work shift, etc. If the transfer is involuntary, the bargaining unit member shall not lose money as a result of said transfer.

G. Transfer and Assignment

In order to insure and promote successful and continued operations and because job classifications are general in nature, temporary transfers between classifications may be made, fragmentary work from one classification may be performed by a bargaining unit member from another classification without a change in classification and the replacement of absentees may be made by transfer of available bargaining unit members; provided that a bargaining unit member temporarily transferred to another classification shall receive either his/her current rate of pay or the minimum rate of pay of the classification to which transferred, whichever is higher.

H. No Child Left Behind

Paraprofessionals hired after January 8, 2002, shall meet the qualifications as established under NCLB where applicable. Paraprofessionals hired prior to January 2, 2002, shall meet the requirements under NCLB by January 8, 2006.

ARTICLE 11

begin their duties if an application is made in sufficient time to allow for making necessary payroll deductions.

 - D. Adult/Alternative Education Paraprofessional insurance each year shall be based on the work assignment hours issued on the official fall student count date. All other insurance changes will become effective the first month following the change of employment status. Employees who become ineligible will have their insurance coverage continued for the balance of the month in which the ineligibility occurred.
 - E. The parties agree that health insurance cost containment riders will be implemented.
 - F. Employees shall pay a pro-rata portion of the insurance premium costs normally paid by the Board, if the employee is on an unpaid leave of absence of ten (10) or more work days. If the leave is under the Family Medical Leave Act, insurance will be continued at the regular board contribution for up to 12 weeks per year.
5. The Board shall make available to each of the full time bargaining unit members (Custodian, Bus Driver, Paraprofessional including Adult/Alternative Education and Food Service) one of the following MESSA PAK options for a full (12) twelve month period for the bargaining unit members and his/her entire family.
