

School Annual Education Report (AER) Cover Letter

August 20, 2010

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2009-2010 educational progress for the East Kentwood High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact John Keenoy for assistance. The AER is available for you to review electronically by visiting the following web site www.kentwoodps.org/ourdistrict/annualreports or you may review a copy from the principal's office, Mr. John Keenoy, at East Kentwood High School.

For 2009-2010, East Kentwood High School made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort. State law requires that we also report the following additional information.

Process for Assigning Pupils to the School:

Students in Kentwood Public School District are assigned to individual school buildings based on the grade level they attend and the geographic area in which they live. School boundaries were developed with community involvement and can be viewed at the Kentwood Public Schools Administration Building at 5820 Eastern Avenue S.E., Kentwood, Michigan.

Core Curriculum:

Process:

Kentwood Public Schools has aligned curriculum in all content areas with the Michigan Curriculum Framework and benchmarks which can be found on the Michigan Department of Education website (<http://www.michigan.gov/mde>). Our assessments and report card are also aligned with the curriculum. Classroom instruction is congruent with the curriculum expectations and is monitored consistently by building principals and academic support personnel.

Alignment:

Each grade level on the elementary level and each content area at the secondary levels meet monthly to study curriculum issues and to ensure that all students have common, equitable curricular experiences. A gap analysis is conducted annually with the MEAP testing information and the curriculum is examined for areas of strength and weakness. After this audit, necessary adjustments are made.

Equity:

Excellence and Equity for All is the motto of Kentwood Public Schools. Common assessments with common scoring rubrics, a common curriculum, common core

materials, and a common electronic standards-based report card help us work toward our goal of equity. In addition, principals and other evaluators have common instructional expectations that are used to guide teacher evaluation. Professional development, study groups, and constant communication between regular education, special education, and gifted programs also facilitate this process. We are committed to ALL of our students having multiple opportunities to learn and be successful in the core curriculum.

Status of School Improvement Plan:

East Kentwood High School has an approved school improvement plan submitted to the State in which stakeholders have outlined goals and objectives for the next 3 years that address student academic needs. The needs addressed in the plan are identified by looking at a variety of data that measures student academic progress. The stakeholders identify areas of need and research scientifically based strategies to address these needs.

Aggregate Student Achievement Results:

East Kentwood High School test results from the 2009/2010 school year.

<u>EXPLORE TEST</u>		<u>PLAN TEST</u>	
Composite	15.5	Composite	17.0
Math	15.3	English	16.1

Parent-Teacher Conference Attendance:

East Kentwood High School has approximately 63 percent of it’s parents attend Parent/Teacher Conferences. Additionally, we offer on-line student data and class information for parents to access and review daily.

- a. In the 2009/2010 school year, East Kentwood High School had sixteen (16) students dually enrolled at either Davenport University, Kendall College and Grand Rapids Community College during the first trimester. During the second trimester, we had twenty-two (22) students dually enrolled at these same colleges and university.
- b. In the 2009/2010 school year we offered twelve (12) Advance Placement classes. We offered: Biology, Calculus, Chemistry, Statistics, Spanish, English Literature, English Language, Micro Economics, Macro Economics, Government, Psychology, and U.S. History.

This year, 267 students took one or more Advance Placement exams. 24.5 percent of this year’s senior class scored 3 or higher when taking an A.P. exam during their time at East Kentwood High School **

- c. East Kentwood High School had 640 seats occupied in A.P. classes. Many students took more than one A.P. class.
- d. East Kentwood High School recorded 267 students successfully completed 415 A.P. exams.

The 2009/2010 school year was very successful. We will continue to look at the data and study best practices to improve student achievement.

For the 2010/2011 school year, we will be offering two additional Advance Placement courses; Physics and World History. We will continue to encourage our students to take advantage of Dual Enrollment offerings, as well as, our Advance Placement classes. We have seen an increase in students taking advantage of our rigorous academic course offerings.

Our staff, students and community are dedicated to the charge of continuous improvement. We are committed to equity and excellence for all.

Sincerely,

John R. Keenoy
Principal
