Dear KPS Families,

Thank you to our students, staff, and families for a successful return to school today! This letter serves as a brief update to [district communication](#) that was sent on December 31, 2021.

Today, the Kent County Health Department (KCHD) issued a [press release](#) announcing that the updated quarantine guidelines announced on December 28, 2021 do not apply to schools. As has been the case throughout the pandemic, KPS has worked closely with the KCHD and followed the guidance they provide. KPS will implement the updated guidance effective immediately, and return to the quarantine guidelines that have been in place since the beginning of the year.

Thank you for your understanding and support of Kentwood Public Schools!

Go Falcons!
